

**5th International Conference on Medical Science Technology
(ICMST 2026)
8th & 9th September 2026 | Concorde Hotel Kuala Lumpur, Malaysia**

POSTER PRESENTATION

Please follow the guidelines below when preparing your poster presentation.

1. Prepare a **Portrait** A1-sized poster (594 x 841 mm).
2. Your assigned poster number (different from your registration ID) will be updated and displayed on the poster board. You may check with Scientific Committee Secretariat on the event Day 1.
3. You should put up your poster after conference registration on Day 1 and the poster should be available for viewing during our conference event for both days. You may remove your poster after our event ends on Day 2.
4. Presenters are required to print and bring their own posters, as no printing services will be provided by the conference secretariat. Poster board pins will be provided.
5. Presenters should provide appropriate context to ensure an international audience can follow your paper content.
6. At least one author should be present at the poster during your assigned poster judging session (**for 1 hour**) to answer questions from the judge and/or audience. Each judge is given a few posters to judge during the 1 hour slot.
7. Each poster evaluation should be within 10-15 minutes which includes Question and Answer session.
8. The Scientific Committee Secretariat will be available should there be any questions from the poster presenters during the event days.
9. Kindly double-check your listed name and poster ID for accuracy. Please inform the Scientific Committee Secretariat should there be any discrepancy.
10. Changes of judging slot is **NOT encouraged** due to prior judging arrangements.

All the best in your poster presentation session!
